AUG  
2019

# RESPONSIBILITY COURAGE ACTIVATING ENDURANCE

The academic year of 2018-2019 has been another fruitful year for Elyon Christian School. It was an exciting time as we celebrated the year with hard work, love and passion. We were very honored and taught to be humble by witnessing what our students have achieved and how far they have come. We are grateful for their growth, not only in terms of learning but also in character development. With the spirit of Celebrating Love, we were also able to thrive as a big family who longed for improvement. Let's continue to grow together to become lifelong learners who are self-motivated, competent and caring.

Congratulations, all wonderful graduates of grade 6, 9 and 12! You have achieved a great milestone in your life! We are impressed with how much you have progressed, both academically and socially. Please, do remember that we are very proud of each of you. You have us as your partners to achieve your next success.

Now, we are welcoming the New Academic Year of 2019-2020 with the spirit of Activating Endurance which means activating the ability to keep doing something difficult, unpleasant, or painful for a long time ( Online Cambridge Dictionary). So, be courageous, step out with confidence, keep up the absolute brilliant work and let God be glorified.
